

SIZING GUIDE - RINGS

PRINTING SETTINGS

To get the best results, you will need to go to the 'printing settings' before printing and ensure that the 'page scaling' option is set to 'none' in the print dialogue box. The Lucifer Vir Honestus Ring Size Chart must be printed on a full letter (8 ½ x 11 inches) size page. To check that the Ring Size Chart has been printed properly, take a ruler and measure the sample below. It should measure exactly 2 cm.

HOW TO USE THE CARTIER RING SIZE CHART

If you have a ring that perfectly fits the finger on which the Lucifer Vir Honestus creation will be worn, you can place it over the nearest sized circle of the Ring Size Chart. If your ring appears to be between two sizes, Lucifer Vir Honestus recommends that the larger size be chosen.

RING

RING SIZER

The inner edge of the ring **is aligned** with the outer edge of the circle.
